

Summer 2021

Dear Students and Parents of the Class of 2022,

Welcome to 11th Grade! This is going to be a very busy and exciting year for all of you. I am writing to inform you of some of the things that we will be doing this year.

The fall will be an especially busy time for us. Battle of the Classes, our trip to Washington, and fund-raising activities are some of the many things we will be doing as a class. There will be more about Battle of the Classes later. Our trip to Washington is a walking tour of Arlington Cemetery, the Holocaust Museum and the beautiful memorials dedicated to the heroes of our country. We will be on our feet most of the day, so wear comfortable shoes and be prepared to walk and take pictures. I am looking for 2 or 3 parents that would like to chaperone this trip; please know that there is no cost to chaperones other than paying for their own food. We will be going on Friday October 8th, so you will be able to rest your legs throughout the weekend. Please sign and return the permission slip by Friday Sept. 3rd.

Junior year is an expensive year due to trips, yearbooks, and of course Prom. Calvary tradition is that the Junior Class hosts the Prom for the Senior Class. However, it will be your responsibility as a class to raise the money to help defray the cost of tickets. Please be thinking of some creative ways to fund-raise in addition to car washes and bake sales. Parent involvement in this endeavor is greatly appreciated and needed.

Academically, this is the year that you want to get your GPA up in order to prepare for college applications. God expects your best in everything you do; therefore, we are praying that this year will be a year of focus and hard work. Your reading requirements are listed on the Calvary Academy website.

I will be praying for you, that God will be strengthening you and preparing you for this very busy year. God bless you and keep you well over the summer. Stay in the Word and keep an active prayer life as you enjoy your time with family and friends. See you in September!

In His Service,

Stephanie Cruz

Field Trip Permission Slip

Dear Parents:

Field trips are an integral and important part of the total learning process. Many times a unit being studied in the classroom can be explored more fully by taking a field trip to the actual area so that the students can see and experience for themselves what it is they are studying. This makes the learning experience more relevant and certainly more meaningful.

Your child is invited to attend a field trip. As a matter of academic protocol, we are informing you of this trip and request your signature of permission for this trip. This experience promises to be a very beneficial academic experience for your child and will be an integral part of this year's curriculum. Please complete the bottom portion of this permission slip and return it to the classroom teacher.

If this is an overnight activity, for the safety of our students, all luggage may be searched by the coordinator of a field trip or by a chaperone designated by him or her.

That they may know Him!

Stephanie Cruz
Principal

Field Trip Permission Slip

Your 11th child has been invited to attend a trip to Washington D.C. on October 8, 2021, leaving approximately 5:00 am and returning approximately 12:00 midnight. I give my son/daughter _____ permission to be a part of this field experience. My *estimated payment* is enclosed in the estimated amount of \$ 150.00 due by Sept. 3rd to cover the cost of the activity and transportation (a chartered tour bus will be used, so any changes to this amount will be communicated to you). In addition, each student will need to bring enough cash with them for 3 meals during the day. I will be praying for the trip and support the school in its efforts to provide my child with this type of academic experience.
