

Summer 2022

Dear Incoming 10th Grade Student,

Please refer to the Required Reading List for assigned novels for each grade. A copy of this list can be found on the Calvary website <https://www.calvaryacademy.org/> under Current Families>Documents & Forms>Required Reading & Supplies. In addition to reading, each high school class is assigned a writing component to support comprehension and critical thinking. Over the summer you will be reading two novels that we will be discussing in September- *The Hunger Games* by Suzanne Collins and *Animal Farm*, written by George Orwell. Feel free to watch both movies to aid with comprehension, however, please be aware that there may be differences and deviations from the novels.

In order to get a jump start on our discussions in September, over the summer please complete the 3 vocabulary pages for *Animal Farm* entitled "A Political Allegory." Investigate/research the meaning of the terms listed, and because you will be using the internet to collect your responses, use MLA in-text citations to document your responses. A Works Cited page is required. Also, as you read, please note the characteristics of the animals on the "Traits of Animals" worksheet. Record 3 traits (in-text citation required) along with the Russian counterpart (an example is provided.) You can annotate right in your book, or I have included an organizer if you would like to record your findings.

Handouts for this assignment are available from our office, can be found on our website at the link above, or you can work on an electronic copy in your One Note notebook. Your notebook for next year is labeled 10th LA 2022-2023, and you will find your *Animal Farm*- Vocabulary sheets and *Animal Farm*- Traits in your *Animal Farm* Tab.

Have a wonderful summer and if you need to reach out me -I am available all summer via email or Teams. I can't wait to see you in September!

Be Blessed!
