COMMITMENT Field Trip Permission Slip

Dear Parents:

Field trips are an integral and important part of the total learning process. Many times a unit being studied in the classroom can be explored more fully by taking a field trip to the actual area so that the students can see and experience for themselves what it is they are studying. This makes the learning experience more relevant and certainly more meaningful.

Your child is invited to attend a field trip. As a matter of academic protocol, we are informing you of this trip and request your signature of permission for this trip. This experience promises to be a very beneficial academic experience for your child and will be an integral part of this year's curriculum. Please complete the bottom portion of this permission slip and return it to the classroom teacher.

If this is an overnight activity, for the safety of our students, all luggage may be searched by the coordinator of a field trip or by a chaperone designated by him or her.

That they may know Him!

Stephanie Cruz
Principal

*In order to get tickets, we need to reserve now. Please note that tickets/reservations will be purchased & made based on each person's commitment to attend, we **cannot get refunds**; if you commit, all payments are required regardless of attendance.*
