## ANCHORED IN CHRIST

### VERSE

#### **Psalm 51:10-11**

“Create in me a clean heart, O God, and renew a right spirit within me. Cast me not away from your presence, and take not your Holy Spirit from me.”

#### **Philippians 3:12-15**

“Not that I have already obtained this or am already perfect, but I press on to make it my own, because Christ Jesus has made me his own.”

#### **Romans 8:18**

“For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.”

December 31st ushered in the first day of the New Year. This has

caused many people to create and initiate their New Years Resolutions. Many people try resolutions such as to lose weight, or be more organized, but what is most important to focus on is a strong relationship with God. One way to do this is by starting the New Year with 21 Days of Prayer and Fasting. This causes you to come away from the physical temptations of the world and rely solely on God in this new year. It is important to grow close to God not only in the good times, but also the bad times. God is our rock and our shield—through him we have the strength to release anything we might have been holding onto from the old year.

Lastly we hope your 2019 is 10x better than your 2018. There are many things God has planned for you in this New Year, you just need to allow him to show you..

**I'll remember  
2018 like  
it was....  
Yesterday**

James Pazik - 8th Grade

# Teacher Feature

Mrs. Kim Wheble

Mrs. Wheble grew up being an only child throughout her life. She was raised and went through all her years of schooling in Tennessee. She went to college in Tennessee as well, to a small private Christian college, where she majored in elementary education and minored in Bible.

She is currently married, and has been for almost twelve years. She has two

children, at the ages of five and one. Ever since she was a small child, she had always dreamed to become a teacher, which she was able to make into a reality. Luckily, God spoke to her and opened up certain doors which gave her the opportunity to work at Calvary Academy. In the future, she would like to go back to school to receive her masters de-

gree in special needs education.

How to Train Your Dragon--February 22

# Calvary Sports

## Basketball Season

This basketball season has so far been very promising for the Calvary Academy Warriors. The middle school teams are working very hard, and have won quite a few games. The same can be said about the varsity teams as well. The Lady Warriors are on a win streak, defeating Lakewood, Pilgrim, and

Gloucester. Our boys are also playing well, despite having a smaller team. They defeated #2 ranked Pilgrim 61-47 in a thriller game as well as defeating Cumberland Christian. They are on a roll, as well as the Varsity girls, while both teams are looking forward to going deep in the playoffs.

The cheerleaders have also been busy training hard and

perfecting new stunts and routines. They strive to encourage the players to do their best and work hard to promote fan participation at every game.

Go Warriors!

## Pep Rally

Calvary Academy held its annual Pep Rally on Friday, January 31. Players from all four basketball teams took the court against staff players while

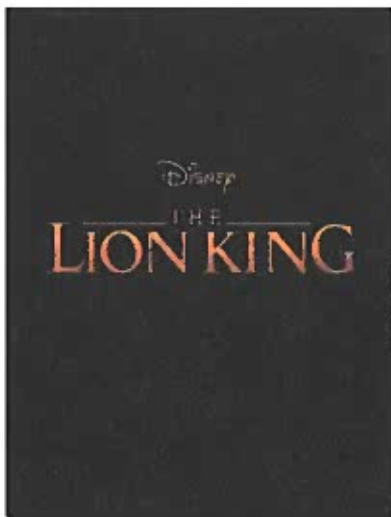

cheerleaders cheered everyone on and threw candy into the stands. Everyone had a great time, and team spirit got a great boost for the season!
